Re: United States v. Hector Barreras
07 Cr. 822 (SCR)

Dear Judge Robinson:

The above-captioned case is currently scheduled for July 30, 2008 at 2:30p.m. On the last Court date your Honor informed that you would grant an adjournment if defendant needed more time to review the video surveillance materials in this case. Defendant now requests an adjournment for that purpose.

After consulting with your case manager, Mr. Skulnick, I write to respectfully request that the above-captioned case be adjourned until September 4, 2008 at 10:30a.m. Defendant consents to the exclusion of time.

Respectfully,

LAWRENCE M. FISHER, ESQ.

Cc: AUSA Nicholas McQuaid

*Time from July 30, 2008 to September 4, 2008
is excluded from the speedy trial, set
calculation for the reasons set forth above
and in the interests of justice*
